Dear Doctor,

I am currently on a walking tour in Norway. From the 16th of June until yesterday, I was in Christiania, where I visited different people. After traveling 10 hours by rail and river steamer,

I am now at the first stop after Christiana. Today, we will travel further on foot and by car. Perhaps I will return around the 18th of July. If you arrive before me, Dr. Luggins is there and will help you find accommodations. Warm regards! Yours sincerely, Svante Arrhenius
