Dear Doctor,

On account of my vacation, I am just now responding to your letter from July 13th. I would like to request that you send your application for a position to the "I.G. Farben, Plant in Ludwigshafen on the Rhine", along with a curriculum vitae. In your application, I would mention that you would like to work in the field of radiography, where you are currently working with Dr. H. Mark to acquire special knowledge, and that you already contacted me by letter.

Sincerely,
R. Brill
