### English Translation

Dear Max Albert,

Enclosed, I am sending you the items that you requested when you spoke with Viktor on the telephone today:

- 1) List of stocks in your Straus & Co. account with today's price calculation
- 2) Statement of your 1,000 Reichsmarks in the Reich Debt Book. If possible, please return this to me.

With regards to #1, it should be noted that you really only have 862 Reichsmarks remaining of German redemption certificates and not the value stated in the list that I recently sent to you. 1062 Reichsmarks – 200 Reichsmarks have recently been drawn.

As soon as possible, please confirm my letter from today, Mx. 30, as well as this one.

I was very shocked that Dr. Ludwigo passed away yesterday.

There is nothing else to report.

Warm regards,  
Father
